Please refer to the "How to Order" section below before placing pre-orders. See you in Tainan!

#### "How To" and Notes on Making Pre-orders

- Prices on this list include shipping and document fee. Prices on catalogs DO NOT. Please ask for a quote.
- Payment method: CREDIT CARD ONLY for pre-orders. Pre-order process will be completed when payment is done. You need a valid e-mail address. Cash payment is also acceptable at the booth. We also need your email address to charge on your credit card. JPY to NTD conversion rate will be determined day-by-day.
